Jesus said "You are in me and I am in you" Today's Gospel..

Everything in nature has a time, a rhythm, a natural cycle, a
season. This is also true of spiritual development. In today's
gospel we see that the time of the disciples has not yet come.

These are the people who gave up everything for Christ. They
were his students and also his friends and despite being trained by
him they still did not fully understand what Jesus said.

**Jesus promised to send the Holy Spirit, the same spirit which
descended on the head of Jesus when he was baptised by John
the Baptist. Only then will the disciples understand that "I am
in the Father and you in me and I in you".**

Jesus was fully human and we are invited to grow towards this full-
ness which leads us to respect one another, keeping our focus on
the being of the person, on God, and less on ourselves.

Anything that separates us from Jesus needs to be emptied out or
removed. Our fulfilment comes through Christ, as we are asked to
leave our old way of life behind. We all make mistakes and it is
humbling to admit them but also to learn from them. We are called
to say only what praises God and only what uplifts another. There
is a whole new life awaiting to dawn on us as we await
Pentecost—Baptism in the spirit. And each day has its own time,
rhythm, cycle and season. Just as our spiritual life has within.
