Trinity Sunday.

19th June 2011.

Today my young niece who is 7 years of age went down on her
knees, joined her hands in prayer and then gave me a big smile.
All this when she heard the church bell ringing out. We are all
called to be open hearted and receptive like children.

As adults we tend to complicate everything and wander far away from
the basic message of Christianity. We have built a huge structure
around this message and around Christ himself. He never intended
this to happen.

Today Trinity Sunday is celebrating the creative flow of love ex-
changed between the Father, Son and Holy Spirit. Through
Christ all of humanity is included in this love. Only in God is rest,
tranquillity and true unity to be found as everything human has
limitations. Where else do we get the grace and strength from to
go through the many trials and challenges of life. Jesus—the
beginning and end of our journey—also our friend along the way.

We are all called to the fullness of the Christian life, to grow in
love and to develop and mature as human beings.

With my little niece this morning I could only think of St. Therese
way of spiritual childhood—the way of total surrender to our
loving God.

Help me Trinity God to be open hearted and receptive like a little
child**A.S.**
