World Elder Abuse Awareness Day 15th JUNE

This day serves as a call to organisations & communities to raise awareness about Elder abuse, neglect and exploitation. Research suggests that 4 – 10% of older people experience some form of abuse, most of which will go unreported. This day is to make sure we remain focused on our older populations & ensure that they continue to lead lives of high quality & dignity. You can show your support by wearing a purple ribbon on World Elder Abuse Awareness Day.
