*'To stop me from getting too proud  
I was given a thorn in the flesh'. St Paul.*

**Our garden had loads of thorny rambling climbing  
roses which I used to weed when I was young.  
As a result I got many scrapes and cuts from the thorns.**

**Today St Paul tells us that he was given 'a thorn in the flesh'  
which God would not remove even though he pleaded with God  
for its removal. Wow, many of us have a thorn to contend with -  
a source or irritation in ourselves - an illness, a disability - it may  
be emotional, physical, spiritual, mental ..... whatever.**

**Many times I have asked God to remove my thorn but  
really I just need to accept it for now. It's with this thorn  
I come before God each day - one day at a time, handing over  
my life, offering myself and my day to him. Always asking for  
guidance taking one moment at a time, one breath at a time.**

**'To stop me from getting too, proud I was given a thorn in the  
flesh'. The roses were beautiful.**

**I loved them especially because my mother planted them  
but they would not be roses without the thorns. A.S.**

## Cycle Against Suicide – Community Buddy Programme

Cycle Against Suicide is inviting community clubs and associations to complete our free 'Community Buddy' Programme and be trained to provide 'Buddy' support in their community.

The Cycle Against Suicide Buddy Programme prioritises peer-to-peer action as a means to identify and help those who may be vulnerable. Our programme trains and equips participants with the practical, hands-on skills and knowledge they need to deliver support to those in mental health distress in their local communities.

Our aim is to train and deploy 'Community Buddies' across Ireland. We invite local clubs and associations that have personnel who are already Garda vetted to nominate themselves to complete our 'Community Buddy' training programme. This training, delivered over 2 days or 4 evenings, is free of charge for your club/ association and will equip you to provide much-needed support for those in your community who maybe struggling with mental health distress. To sign up please visit <https://www.cycleagainstsuicide.com/community-buddy-club/>
