THIRD SUNDAY OF EASTER

4TH MAY 2025

"Do you love me?" is the question Jesus asked of Peter and now asks of the one who will be Pope.

Jesus asked Peter three times, "Do you love me?" as recorded in the Gospel for the Third Sunday of Easter. This happened while Jesus was having breakfast with His disciples after His resurrection. Jesus used this moment to encourage Peter about his future responsibilities and even to prophesy how Peter would die. By repeating the question, "Do you love me?" three times, Jesus was stressing the importance of Peter's love and unwavering obedience as crucial for his future ministry.

Each time Peter answered, "Yes," Jesus told him to feed His sheep. This meant that if Peter truly loved Jesus, he was to care for and lead the people who belonged to Him. Jesus' words highlighted Peter's role as the leader of the new Church in Jerusalem, responsible for spreading the gospel throughout the world.

On Wednesday, May 7th, the conclave to elect the 267th Pope will begin following the nine days of Masses to pray for the eternal repose of the Late Pope Francis. During the conclave, through prayer and the guidance of the Holy Spirit, a new Pope will be elected. So, we pray...

Father Most Holy,
Our God and King,
Protect Your Church in this time of
transition.
Guide the Cardinals in their sacred duty.
Grant them Wisdom and Courage,
Hope and Charity,
And the Faith they need to discern Your Holy Will.

Creator of all that was, is, and to come –
You alone know the heart of the one You
have chosen as the next successor to Saint
Peter.
Reveal Your will to the College of Cardinals.
Open their hearts to Your inspirations.
Open our hearts to receive, with faith and
obedience, the one whom You will raise up
to sit on the Chair of Saint Peter.

May he be a man of deepest
compassion,
A man of profound faith and hope,
A man whose charity shines forth,
Permeating the darkness of this world
with the light of Christ.

You are God Most High,
The God of the living and the dead,
The Great I AM,
The Alpha and the Omega,
Eternal Being and Source of all that is.

May Your holy will be done,
Now and forever. Amen. Alleluia.

Top Ten Ways to Help Pollinators: Manage and plant native hedgerows for biodiversity

The more blossom your hedgerow has in Spring, the better it is for biodiversity. Allow hedges to grow into a natural A-shape profile rather than a neat box shape.

Why: Native hedgerow plants such as Hawthorn (also called Whitethorn), and Blackthorn flower early in Spring, providing vital food for wild bees when they emerge from hibernation. Birds and mammals eat their berries later in autumn.
